

Activities for Older Children

- 1) Talk about friends you each have— what your best friend is like, what it means to be a friend.
- 2) Help your child open up a savings account or get a library card.
- 3) Learn how to use microscopes, computers, calculators, magnets, and cameras together.
- 4) Tutor them in a problem area— ask the teacher for help but don't spend too much time on schoolwork.
- 5) Go to the mall and walk around.
